1. On line (E-tendering) tender/ offer submission last date up to 16.00 hours only (This is mandatory)           10.08.2016
2. Physical submission of all the relevant documents, last date up to 14.00 hours by RPAD or SPEED POST only.     12.08.2016
3. Date of opening of Tender fee, EMD cover, and technical bid physical as well as on – line opening at 16.00 Hours. 12.08.2016
4. Tentative Date of on – line opening of Price bid Shall be intimated separately.

IMPORTANT: All the relevant documents as per requirement of the tender also to be submitted physically i.e. Technical bid, Qualification requirement data, detail specification along with the Tender Fee, EMD cover in sealed cover superscripted with the “ARC for Transportation of materials(R&M/Augmentation & maintenance etc.) from various stores of GETCO to various GETCO substations as per instruction of EIC under TR Div. Bhuj GETCO. & tender notice no. Anj/CM-2/e-Tn-42/2016” (mention the name of work & tender notice no.) on or before due date and time. All such documents should be strictly submitted by RPAD/SPEED POST only. Otherwise the offer will not be considered and no any further

Seal and Signature of Bidder
communication in the matter will be entertained. The tender in physical form is to be submitted in single copy only. (The price bid is not to be submitted with the physical documents).

1. Any deviation found in Data/Details/Documents in on line offer (e-tendering) and physically submitted documents (Tender document fee, EMD, Vendor Registration, Technical and commercial documents etc.) of bidder, offer of the same bidder will not be considered and no any further communication in the matter will be entertained. Physical copy is for reference only and tender will be evaluated on Data/Details/Documents of the “on line” offer. **For any discrepancy between online & physical bid, online bid is considered as final.**

2. It is mandatory for all the bidders to submit their tender documents by both forms viz. on-line (e-tendering) and physically in schedule time. If tender documents submitted in only any one form, say either by online or physically, in that case the same tender will not be considered.

3. The bidders are required to fill up all the online appendices (annexure)/forms. This is intended for transparency and speedy evaluation of the bids. Instead of simply confirming/attached in bid/refer physical offer, the bidder shall fill in the particulars against appropriate place in respect of each line appearing in each online annexure. Wherever required, bidder shall invariably have to submit supporting authentic documents in the physical bid. (In the absence of required details in the online annexure, the purchaser has every right to evaluate the bids accordingly and bidder cannot raise any objection against any point during evaluation.)

4. Bidders are requested to remain in touch with the web site for any amendment/corrigendum or extension of due date etc.

5. No tender shall be accepted/opened in case of receipt after due date and time of tender, irrespective of delay due to postal services or any other reasons and the Corporation shall not assume any responsibility for late receipt of tender.

6. The **Earnest Money Deposit and tender fee** will be accepted by Demand Draft on any Nationalized Bank only situated at **ANJAR** drawn in favor of “GUJARAT ENERGY TRANSMISSION CORPORATION LTD.” **Tender without EMD and tender fee shall be rejected.** Two separate demand draft for Tender fee and EMD should be submitted with technical bid.

7. **The GETCO reserves the right to award the work to one or more bidders, considering their technical and financial capacity OR to reject any or all tenders or accept any tender without assigning any reason thereof.** Any technical questions, information and clarification that may be required pertaining to this enquiry should be referred to: **The Superintending Engineer (TR), Gujarat Energy Transmission Corporation Limited., Circle office, Anjar.**

GETCO reserves the right to reject any OR all tenders without assigning any reasons thereof.

**Superintending Engineer (TR)**

GENERAL CONDITION :-

1. The work should be carried out according to the specification and as per Instructions & programmed laid out by the D.E. / Executive Engineer-in-charge of the work.

2. The quantities mentioned in the accompanying schedule is only approximate. Actual quantities may decrease or increase according to the local condition. The department reserves the rights for revising or omitting any of the quantities. The quantities actually executed by the contractor will be calculated at the rate given in the contract schedule of the rates.

3. The tender shall remain open for acceptance at least for a period of six months from date of tenders.

5. The contractor should employee supervisor with sufficient qualification and experience who could supervise the execution of work throughout. He should always be present on the site as far as possible. Qualification & experience certificate of deputed supervisor to be submitted to GETCO.

6. The contractor shall be responsible for breakages, losses & thefts of material during transit or erection after the materials are issued from stores until the completed work is taken over by the GETCO.

7. The Gujarat Energy Transmission Corporation Limited does not bind itself to accept the lowest or any tender. The Superintending Engineer (TR.), ANJAR reserves the right to reject any or all tender without signing any reasons whatsoever.

8. The work should be commenced immediately from the date of receipt of instructions from office and should be completed within thereafter.

9. As regard damage the materials, equipment and worker of the contractor, he himself will be responsible. If there is any compensation to be paid in respect of “WORKMAN” compensation act of any other statutory provisions, the same will have to be paid by the contractor direct. If he thinks fit he may take necessary insurance cover, at his cost.

10. Tenderer have to produce experience certificate along with tenders. Tender submitted without experience certificate will not be considered valid preferably of last 03 years..

11. Tender should be issued to those contractors who have P. F. Registration, Service tax registration, VAT registration & Work registration.

12. Service tax will be paid as per prevailing norms on production of service tax registration.

13. The tender includes all minor accessories and items of work which may not have been specifically mentioned in the specification schedule etc. but are essential for completion of work. The contractor will not be eligible for any extra payment in respect of such minor accessories and items of work.

14. Contractor will be required to produce a SOLVENCY CERTIFICATE FOR AN AMOUNT AS DECIDED BY SE TR & also to produce his income tax clearance certificate and latest P.F receipt.

15. SIGNING AGREEMENT:-

The Contractor will have to sign an agreement as per GETCO’s rules in the prescribed form of the GETCO. The cost Rs. 100/- of the Stamp Paper will have to be borne by the Contractor.
16. **SAFETY:-**
Contractor shall have to execute the work as per GETCO safety policy. Safety Book & safety policy shall be collected from concern EIC before work commencement. (Refer ISO document).

17. **FIELD QUALITY PLAN:-**
Contractor shall have to execute the work as per GETCO FIELD QUALITY PLAN & APPROVED DRAWING being the mandatory requirement of ISO 9001-2000.

18. **SECURITY DEPOSIT:-**
The successful tenderer will have to pay the Security Deposit of 5% of the order value. On placing the order, 2.5% will have to pay by demand draft/FDR in favour of GETCO LTD. at Anjar within seven days from the date of receipt of intimation given by the office. The remaining 2.5% will be recovered from the first two R.A. Bills. Higher percentage of security deposit may be fixed at the discretion of the concern Superintending Engineer of GETCO.

19. **TIME LIMIT:-**
Time limit allowed for completion the work is **12 Calendar Months** from the date of the commencement of the work.

20. **PENALTY FOR DELAY:**
The tenderer should note that the completion time allowed for carrying out the work should be strictly observed. Any delay that may take place beyond contractual cutoff date, stated as per stipulated delivery period shall be subject to the penalty at the rate of \( \frac{1}{2}\% \) of the delayed work per week with a ceiling of 10% of the total contract value.

21. **GUARANTEE:-**
It is the responsibility of the contractor to handover the complete work free of all defects. If within seven days from the date of receipt of such notice.

22. **STOPPAGE OF WORKS:**
In case, it is not possible for the contractor to continue the work either due to heavy rains or other reasonable causes, such facts should be immediately conveyed to the Executive Engineer/EIC in writing. If the reasons for stopping the work are genuine, the Engineer may ask the contractor in writing to stop work. As the reasons for cases (for such stoppage) are overcome, the Engineer will ask the Contractor to start the work again in writing. The period of such stoppage will not be considered as a part of working month, moreover the contractor cannot claim compensation for such work.

23. **TERMS OF PAYMENT:**
Normally, one R.A. Bills will be paid every month, however, looking to the progress of the work it will be reviewed mutually and 100% of the cost of work done will be paid to the Contractor on his presentation of R.A. Bill giving the material account thereof. Remaining 10% Payment will be made after the entire work is completed satisfactorily in all respect. The payment will be made through **RTGS** only. The Bill should be submitted to our concern GETCO incharge **JE/DE/EE** with a copy to **EE TR Bhuj**. Final bill will be prepared by our concern GETCO Engineer Incharge within about fortnight from the date of completion of the work by the Contractor.

24. The contractor will be responsible for loss, distribution or deterioration of the materials, stores or articles supplied to him by the GETCO, even if such a less distribution of deterioration has occurred under any circumstances whatsoever beyond his control as if the materials, stores or articles so supplied were his property.
25. The contractor shall see the site of s/s before quoting the rates.
26. The contractor shall be co-operative with the GETCO in recording measurement etc. as expeditiously as possible and he shall fulfill all the requirement which are necessary to finalizes the accounts on the basic of the records and pay him such amounts together with the amount of security deposit and any remaining amount. The GETCO shall not entertain further claim from thereafter.

27. **ELECTRICITY RULES:**
All works shall be carried out in accordance with the revised and latest providing under Indian Electricity Act and Rules made the rounder.

28. **INSPECTION BY GETCO REPRESENTATIVES:**
The Engineer-in-charge, higher authority of GETCO or his representatives will be free to visit the contractor’s work, their stores site and erection sites and also verify the GETCO’s materials in the custody of the contractor as and when required.

29. **PRESENTATION OF BILLS:**
All the bills for work executed should be presented to concern GETCO office. with the following information on each bill.

(i) bills for work done should be serially numbered giving the work done under each item up to period of billing, work done for which the claim is made in the bill and up to date work so for done. Items in bill should correspond to items mentioned in schedule of A/T.

(ii) Balance payment bills should be prepared at the end of the job under the jurisdiction of the concerned Deputy Engineer which should give the complete information of work carried out, total payment due, actual payment received up to date and the balance amount claimed. It should also accompany a statement of reconciled material account wise.

30. **FORCE MAJEURE:**
Force Majeure is herein defined as any cause which is beyond the control of the contractor or the owner as the case may be, which they could not foresee or with a reasonable amount of diligence could not have foreseen and which substantially affects the performance of the contract such as:

a. Natural phenomena including but not limited to floods, droughts, earthquakes and epidemics;

b. Acts of any Government, domestic or foreign including but not limited to war, declared or undeclared, priorities, guarantees and embargoes.

Provided either party shall within fifteen (15) days from the occurrence of such a cause notify the other in writing of such causes. The contractor or the owner shall not be liable for delays in performing his obligations resulting from any force majeure cause as referred to and/or defined above.

The date of completion will subject to herein after provided be extended by a reasonable time even through such cause may occur after contractor’s performance of obligation has been delayed due to other causes.

31. **QUANTITY OF WORK:**
The quantities of various items indicated in Schedule-B are tentative. The contractor has to carry out the work according to quantities as determined at site for which the rates quoted in the Tender shall be valid.

32. **Liquidation Damages:**
The date stipulated for completion of work shall be strictly adhered to except for the provision of the clause above. If the work is not completed by the scheduled date of completion, the GETCO recover amount of liquidated damages at the rate of ½% per every week on delayed work with a ceiling on such recoveries at 10% of order value.

In the event of any damage, theft, loss, pilferage, fire etc. contractor will be responsible to lodge, pursue and settle all the claims with the insurance company for all items, materials and the...
corporation shall be kept informed about it. Contractor shall replace the lost/damaged materials/items promptly irrespective of the settlement of the claims by underwriter and ensure that the work progress is as per agreed schedule. The loss, if any, such replacement will have to be borne by the contractor and Board will not entertain any claim/representation in this regard. However it will be contractor’s responsibility to insure the entire project till the line is taken over by the Board.

33. **AVAILABILITY OF MATERIALS AND IDLE LABOUR CHARGE:-**
The Contractor should be carrying out the work as and when the materials are received. No idle labour charges will be borne by the GETCO. If a case of idle labour arises, due to absence of any materials, this idle period will be counted for the period of assessing the time limit for completion of work as mentioned in the work order.

34. GETCO does not accept any responsibility as factory Act, Minimum wages Act, Workmen’s Compensation Act, Insurance Rules etc. or any other act, rules or regulations that have to be observed by the contractor for carrying out the work. Subject to the availability of raw materials, the contract is to be completed within stipulated time period from the commencement date as mentioned in the work order.

56. The Contract has to shift the material at site with packing case and it should open carefully without damaging the equipment. The packing case must be returned to the store in good condition and stacked as directed by Engineer-in-charge.

57. Contractor will not allow to work after working hours except in special case, if any.

58. The Contractors has to engage required strength of skilled persons for Transportation, Loading & unloading work and proper Supervisor to avoid complication & unnecessary delay to complete work timely. The Contractor will be totally responsible for labour claims arising out of the labour employed for this job.

59. The work should be carried out according to the instructions and programmed laid out by the Engineer in charge. Contractor has to ensure safe shifting and stacking of all accessories / equipments as per standard norms.

60. The tenderer should furnish details of past experience of such job of similar nature completed by him satisfactorily within the time limit in GETCO without this certificate offer shall be rejected out rightly.

61. The tenderer will be abide by and fulfill all the terms & provisions of the “Tender and Contract” for works as applicable and in case of any default there to the GETCO shall forfeit the S.D. or any other action as may be decided by SE (TR) Anjar.

62. The contractor has to co-ordinate & co-operate fully with Engineer-in-Charge and any other items which are not conveniently included in the specification but requires for completing the job.

63. In case of any dispute / doubt, the decision of SE (TR)Anjar/Executive Engineer (Bhuj.) shall be unchallengeable, final and binding to the Contractor.

64. The quantum of work as mentioned in Estimate / Schedule ‘B’ is tentative and it can very differ as per site condition. The payment shall be made only on actual work executed or order quantity whichever is less.
65. Security Deposit will be refunded after / completion of one year or guaranteed period over whichever is later.

66. All legal complication or disputes are subject to Anjar jurisdiction only.

67. No higher rate or revised rate will be applicable for the work, if work is held-up / closed due to whatever so reasons.

68. R.A. Bill shall be paid if GETCO satisfy with the output of works otherwise only final bill shall be paid.

69. The Time Limit for the work may be reduced and contractor should make all this efforts to complete the work within stipulated time limit as may be given by the Engineer in charge depending upon emergency of work GETCO reserves the right to reduce the time limit without giving any notice.

70. The Contractor has to remain in contact in close days with Engineer in charge of work who in turn shall issue detailed instruction for the commencement of the work.

71. A fresh & valid solvency Certificate of the extent of 20% of the ordered value will have to be produced by the contractor and party has to surrender original solvency Certificate to GETCO before commencing of work.

<td>Rs.100,000/-</td>
</tr>
<tr>
<td>&gt; 100 Lacs</td>
<td>1.0 %</td>
</tr>
</tbody>
</table>

c. **Reporting:**
   1. The contractor shall inform concerned Ex. Engineer Const/TR in writing within 24 hours of fatal/Non-fatal accident occurred to human being.
   2. The GETCO investigating officer findings in to accident shall be final and binding to the contractor / Agency.

d. **Safety Requirement:**
   1. Kick off Meeting exclusively for safety shall be done in each contract in presence of contractor’s site in charge and supervisor. Safety document shall be handed over and vital safety norms and key points of safety related to project shall be explained and recorded for commitment by erection contractor.
   2. Such records are mandatory for clearing first erection bill.
   3. During site visit by GETCO official of Executive Engineer and above rank, the following checks during execution of work shall be covered.

3.1 Safety equipments available and utilize.
   (a) Helmet.
   (b) Safety belt.
   (c) Safety shoes.
   (d) Live line Voltage detector

3.2 Safety procedure adopted.
   (a) Permit to work
   (b) Earthing at the place of work.
   (c) Adequate supervision.

3.3 T & P physical Check. (Healthiness and Quality)
   (a) P.P. rope.
   (b) Wire rope and sling.
   (c) Earthing rod

e. If above-mentioned safety requirements found violated in any of the above three conditions shall attract penalty of Rs.1000/-per occasion. (Max. Rs.3000/-for violation of three conditions)

f. During subsequent visit, if violation is found, then double penalty shall be deducted from the bill of the Contractor/Agency.
A. MATERIAL, DELIVERY & HANDLING:

1. All material / equipment required for this work as per schedule shall be delivered at any store center of Const. Dn. Anjar jurisdiction & contractor has to take delivery from these stores at his own cost only.

2. The contractor shall be responsible for breakages, losses & thefts of material during transit or erection after the materials are issued from stores will, the completed work is taken over by the GETCO.

3. The contractor will be responsible for loss, distribution or deterioration of the materials, stores or articles supplied to him by the GETCO, even if such a less distribution of deterioration has occurred under any circumstances whatsoever beyond his control as if the materials, stores or articles so supplied were his property.

4. STORAGE-CUM-INSURANCE: The contractor shall take suitable storage-cum-erection insurance cover at his cost to the extent of 100% cost of s/s or line materials, which are required to complete the s/s or line. Contractor shall have to take Marine cum Erection (MCE) insurance policy against any loss, damage, theft, pilferage, fire etc. for the complete period of storage, erection and commissioning up to the time of taking over of the transmission line or S/S by the Board. The contractor shall deal directly and pursue the claim with the insurance company and shall be responsible in regard to maintenance of all insurance coverage as well as for settlement of claim. The proof of insurance policy taken by the successful contractor shall be furnished to Engineer-In-Charge. No material shall be issued to bidder/erection agency in absence of such insurance policy. The risk shall be covered for lifting of material from store to final handling over to GETCO. Further In absence of the above insurance policy, R. A. Bill payment will be with held.

C. WELFARE CESS:-

welfare cess, the welfare cess @ 1% is applicable on supply and erection items for supply, erection, testing & commissioning of substation, transmission lines, EPC/Turnkey projects and civil works.

- Contractor shall get registered under welfare cess act before commencement of work, office of factory inspector is authorized at present as a registering authority.
- The welfare cess @ 1 % is considered in the price schedule so, the bidders are requested to quote accordingly.
- Getco shall pay the welfare cess by way of reimbursing to contractors on production of documentary evidence of payment.
- The contractor for which supply or part supply of material are in the scope of GETCO, then contractors shall deposit welfare cess on estimated cost of supplied items to GETCO on progressive basis of utilization. As this part of welfare cess is on GETCO account, the same shall be reimbursed to the contractor on receipt of request letter along with documentary evidence of payment. For calculation of welfare cess on supply part, valuation as per MR shall be taken and informed to contractor for payment. This will be over and above the A/T value.

The modality of payment/reimbursement of welfare cess will be as under:

- On receipt of A/T, the contractor/bidder will get them registered under welfare cess act and submit the documentary evidence to the concern office.
- Before release of payment of first RA bills, the contractor has to submit the documentary evidence of registration. Only thereafter, the bill will be processed for payment.
- Before release of payment of subsequent RA bills, the contractor has to submit the documentary evidence of payment of welfare cess of previous RA bill.
- Before release of payment of final bill, the contractor has to submit the documentary evidence of payment of welfare cess of previous RA bill as well as of this final bill.
If the RA bill happens to be first and final bill, then before release of payment, contractor has to submit documentary evidence of registration under welfare cess Act and evidence of payment of welfare cess.

The welfare cess will be reimbursed to the contractor on submission of copy of documentary evidence of payment by observing due formalities.

**Taxes and Duties:**

- **14.1** As regards the income Tax, surcharge on income tax and any other corporate tax, including service tax at prevailing rate the owner shall not bear any tax liability whatsoever. The bidder shall be liable and responsible for payment of such taxes as attracted under the provisions of the law.

- **14.2** Notwithstanding the tax liabilities as per the sub-clause 14.1 above the owner shall have the right to make deduction at source from the amounts payable to the contractor in respect of Income Tax (on the cost of items of supply included in the works contract) as may be mandatory in terms of the law. The owner shall not bear any liability in this regard but shall issue necessary certificate in respect of such deduction made.

- **14.3** In case any tax or duty is newly introduced by the Government applicable for this contract with effect from the next day of the date submission of the bid and if the contractor is required to pay additional tax or duty, then the owner shall reimburse the contractor the additional tax or duty so paid by the contractor against submission by the contractor of documentary evidence to the satisfaction of the owner. This provision will not be applicable to transaction between the contractor and his sub-contractors. Besides the said statutory variation, no other statutory variation shall be payable by the owner.

- **14.4** The owner’s liability for all taxes and duties under the contract shall be limited to those indicated by the Bidder in the Bid Proposal Sheets, subject to the statutory variations and variations as per Clause No. 14.3.

- **14.8** In addition, the conditions detailed under Special Conditions of Contract

(On Non-judicial Stamp paper of value not less than Rs. 100.00)

KNOW ALL MEN BY THESE PRESENTS that we, _______ by this SAFETY CUM INDEMNITY BOND Executed on this ______ Day of _______ 2013. I/We Having Registered Office _______________________________(herein after called “THECONTRACTOR” which expression shall mean and includes my /our heirs, executors, administrators and legal representatives, successors and permitted assigns) do hereby binds myself/ourselves and also our company/firms after having the power to bind by this promise and undertaking in favour of the Gujarat Energy Transmission Corporation Limited (GETCO), Vadodara a State Transmission Utility under The Electricity Act, 2003 having its registered office at Sardar Patel Vidhyut Bhavan, Race course, Vadodara, (hereinafter called as GETCO, which expression shall mean and include its legal representative, administrators assigns) has agreed under the terms and conditions of the contract no.______ dated_______ made between __________ and __________ for the contract of the ____________ value of Rs. ___________ interalia on production of Safety Cum Indemnity Bond.

We do hereby undertake and agree to Indemnify and keep Indemnified GETCO from time to time to the extent of Rs.______ Rupees only against any losses or damages, costs, charges and expenses caused to or suffered by reason of the CONTRACTOR while Project, R&M, O&M work including work carried out by outsourcing agency, failing to take proper care or not complying the guidelines given hereunder as per Annexure-A and instructions which may be given from time to time during the continuance of the contract and we further undertake to unconditionally pay the amount claimed by the GETCO on demand and without demur to the extent aforesaid.

Whereas the CONTRACTOR has/have been awarded to execute the job/works under order no._____, dated ______ for _________ issued by the GETCO after having observing necessary formalities, the details of which is described in the order no._______ dated _______ and whereas the said job/works will be likely to be done in places covered under Employees’ State Insurance Act,1948 (ESI) and/or the Workmen Compensation Act,1923 and/or other laws relating to the Labour Management and Welfare Act. (Respective Amendments)

And whereas according to the condition of the Contract the CONTRACTOR is under obligation to execute this Safety cum Indemnity Bond before the commencement of actual execution of work

Now the indenture witnesses that I/We the CONTRACTOR do hereby undertake to follow the guidelines as per Annexure-A prepared by the GETCO.

Further we the CONTRACTOR agree that the GETCO shall be sole judge of and as to whether there has been any breach of the guidelines as per Annexure-A of this bond and as to the extent of the loss, damages, costs, charges and expenses caused to or suffered by the GETCO.

We the CONTRACTOR further agree that our liability under this bond shall not be discharged because of the change in the constitution of the GETCO or for the extension of the time limit or for any other reason.

We the CONTRACTOR further agrees to the given terms and conditions

a. That the CONTRACTOR undertakes to indemnify and keep harmless the GETCO from all claims, actions, proceedings and risk, damage danger to any person whether belonging or not belonging to the. CONTRACTOR.

b. That the CONTRACTOR shall keep harmless the GETCO from all claims, compensation, damages any proceedings in respect of any of its employee / workmen under the Workmen Compensation Act or any other laws for the timebeing in force.

c. That, if during the course of execution of work as stated in the contract order mentioned hereinabove issued by the OBLIGEE, it is found that the CONTRACTOR has not complied with guidelines as per Annexure-A or terms and conditions / formalities within the meaning of Employees’ State Insurance Act,1948 (ESI) or Workmen Compensation Act 1923 or any other laws relating to the Labour Welfare for the time being in force, and also has not observed the safety norms in accordance with the law prevailing at the place of work/job to the satisfaction of the GETCO, the GETCO shall have the right to stop the execution of work/job and the period of such stoppage shall not be taken into account for the calculation of the total period of completion of work for which the CONTRACTOR is responsible to complete the work/job and it will be deemed that discontinuance was due to default of the CONTRACTOR .

d. That, if any time, due to exigency, GETCO as the Principle Employer, becomes liable to pay any such compensation mentioned hereinabove, whether on failure of the CONTRACTOR or for any other reason, the GETCO shall have the right to recover the said amount from any amount receivable by GETCO or any bank guarantee deposited or anything payable whether in connection with this contract or other contract by the CONTRACTOR to the OBLIGEE.

e. That the CONTRACTOR is/are aware and accept that for the persistent or repeated violation of any guidelines as per Annexure-A and terms and conditions mentioned in this Safety cum Indemnity Bond, GETCO shall have right to terminate the contract of work issued to the CONTRACTOR.

f. In case if any safety related fatal Electrical / Mechanical accident occurred to any employee of agency or outsider due to negligence or non-compliance of GETCO safety norms then in addition to the compensation and liability as per statutory requirement, contractor / agency is hereby agreed to pay the penalty amount as given below:

ANNEXURE-A

OUR ENDEVOUR - Safety a habit

To create environment where Business Confidence is built through Best Business Practices and is fostered in an atmosphere of trust and respect between providers of goods and services and their users for the ultimate benefit of society a the nation, safety guidelines are agreed upon by the agency as under.

Safety is our prime concern and zero accident is our goal. In order to prevent the accident, while execution of works in indoor and outdoor systems of GETCO, the following guideline and preventive measures are identified.

<table>
<thead>
<tr>
<th>Indoor safety precaution</th>
<th>Outdoor safety precaution</th>
</tr>
</thead>
<tbody>
<tr>
<td>The method of work required T&amp;P and manpower should be discussed between GETCO supervisor, contractor’s supervisor and gang leaders.</td>
<td>The method of work required T&amp;P and manpower should be discussed between GETCO supervisor, contractor’s supervisor and gang leaders.</td>
</tr>
</tbody>
</table>
| Prior to execution of work a joint survey must be conducted by GETCO supervisor and contractor’s supervisor for risk assessment. | Prior to execution of work a joint survey must be conducted by GETCO supervisor, contractor’s supervisor and DISCOM line man in order to identify the following:
| Clearly identify the work location, to distinguish between the equipment that is dead and other equipment / part that may be live. | a. HT/LT line or tap line crossing under each span of line of the work. |
| Disconnect equipment from supply. Protect against other live parts.                     | b. Isolation point of each line crossing.                                                   |
| Take special precautions when close to bare conductors / Bus bar.                      | c. Each line crossing & isolation point under each span must be discussed and noted in maintenance register with sketch. |

Following safety guidelines are mandatory for all contractors operating in GETCO premises for Electrical, non-electrical & civil works.

1. The contractors must provide advance planning of work to concerned in-charge of substation in writing.
2. Before starting any work whether switch yard, “permit to allow to work” must be taken from control room in-charge.
3. Utilizing Electrical / non-electrical equipments, safety rules must be implemented.
4. If the work is to be carried out on Sunday or public holiday, the necessary permission must be taken in advance, requesting in writing.
5. Unwanted person including children of labours will not be allowed at working site in the switchyard and in the

Contractor’s supervisor and GETCO Supervisor must ensure all isolations physically with adequate earthing technically prior to give clearance to gang leader for taking up job.

While execution of stringing work, the identified line crossing must be isolated / de-energized and written clearance should be obtained from concerned DISCOM supervisor.

The isolation of Tap line must be physically seen and verified by Contractor and GETCO supervisor.

At D.O. fuse junction contractors person should be posted to ensure that no person restore D.O. supply while work is under execution.

Contractor’s supervisor must ensure that concern officer take LCP for EHV line and power line crossing.

</table>

Note: - (1) Qty will be consider as per actual execution.
Note:- (2) Service tax & Welfare cess will be reimbursed separately to contractor on production of proof of such Payments made to the appropriate authority.

Remarks:- Payment sample calculation is as under:

For Example if the distance transport is 71KM the payment Shall be made as follows.

Rate of 71KM=fixed rate upto 70KMs+1KM X 11.72 per MT/KM

=7383.60+ 11.72

=Rs.7395.32

Note:
(1) The quantities in the accompanying schedule are only approximate. Actual quantities may decrease or increase according to the local work condition. The department reserves the rights for revising or omitting any of the quantities.
(2) Contractor has to carry out the work as per instruction of Engineer in charge.
(3) Contractor is completely responsible for any injury or accident during the work. Necessary insurance for labour is to be taken by contractor at his own cost and no reimbursement claim is consider by GETCO for that.
(4) Quotated rates should be inclusive of labour involved for shifting & stacking etc for required transportation work & stacking of all material after completion of work as per inst. of EIC.
(5) Contractor’s skilled supervisor must be present during the work. Contractor has to issue ID
proof to person/ supervisor engaged for the work.

(6) Contractor has completely responsible for any damage/loss of material during the work & amounts will be deducted from his bill. No idle labour charge will paid by GETCO.

(7) The contractor will submit the gate pass copy, wedge register of labour & P.F challan copy with stamp/signature along with bill.

(8) Contractor has to take suitable insurance as per GETCO norms during execution.

---
